    payment receipt (phone number format) [102570] .....2

    eForms Adding 2nd Stage [104322] .....2

## **Application Corrections**

### **.pdf downloading as .txt [76892]**

We fixed an issue so downloads would use the extension .pdf as expected.

### **Log out issues - Need additional logging to determine cause [00091664. 93949, 94086]**

We fixed an issue where users would be unexpectedly logged out of Managely if they had multiple browser tabs open for various Managely pages.

### **Signed Proposals are stored as Text files and should be PDF [103701]**

We fixed an issue with saving proposals so they are saved as PDF files as expected.

### **Cannot filter by Batch#, Payments or Deposit Amount on the deposit screen [103635]**

We resolved an issue on the Deposits page so that users can filter as expected.

### **payment receipt (phone number format) [102570]**

We changed the formatting of the phone numbers on the receipts.

### **eForms Adding 2nd Stage [104322]**

We fixed an issue with eForms not saving recipient's name and email address.
