

Managely Release Notes

May 2024

Version 5.3.38.6

MANAGELY[®]

Application Corrections

**Charges shared data field on a custom invoice template, it is not displaying correctly
[00112871, 112926, 112971, 112972, 112981,112984]**

We fixed an issue with the formatting of the description column on shared templates not displaying as expected. This allows for both special characters to be used in the text and formatting to be applied.
