

# Managely Release Notes

January 2025

Version 5.3.43.26

**MANAGELY**<sup>®</sup>

## **Application Corrections**

**Since the latest Update - parts issued to jobs, that are in stock, are shown as not in stock [125746]**

We resolved this issue and fixed the state of Stock for parts when using the search box.

**Unable to unapply credits on vendor invoice [126851]**

We fixed an issue where users were unable to unapply credits on vendor invoices.

**Unable to cancel work orders [127215]**

We fixed an error users received trying to void work orders.
