

Cancel System RMR

Last Modified on 05/05/2022 5:15 pm EDT

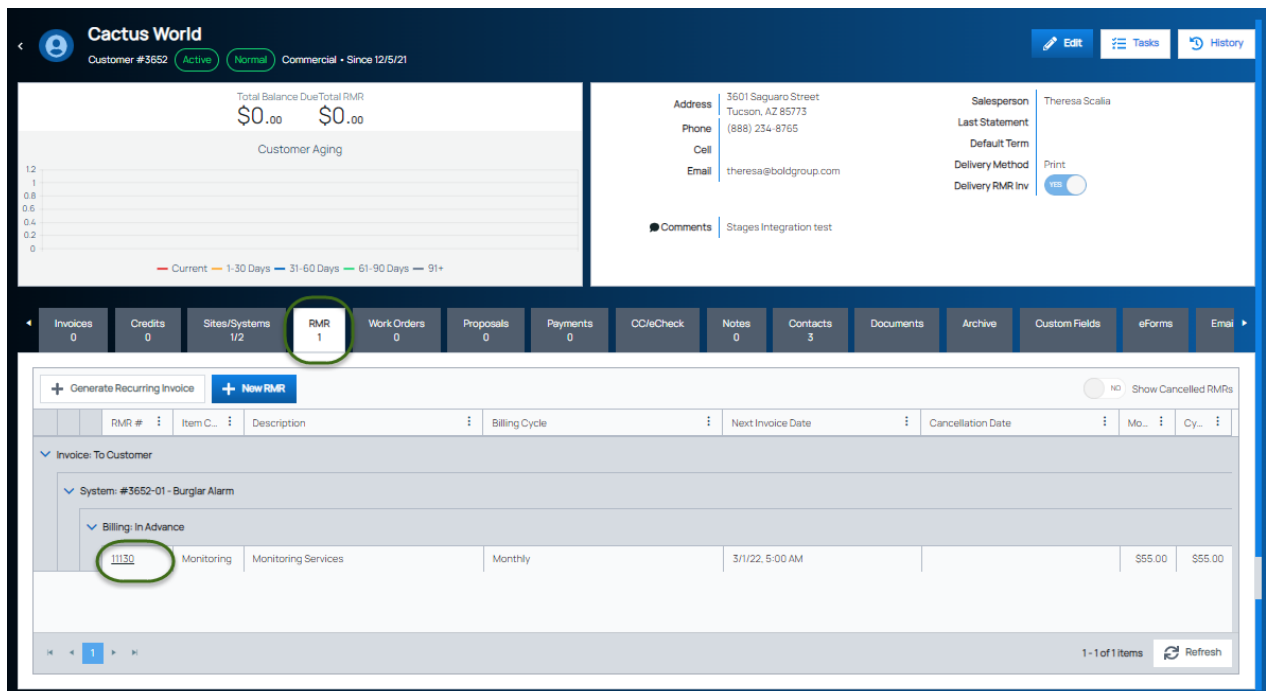

A User is able to cancel an RMR record only if the User has permissions to edit RMR.

RMR records are attached to a Customer record, so you must first access the customer record. From the main menu, arrive at the Customers list with this path: Accounts Receivable> Customers.

The Customers list will be displayed. Locate the Customer in the list, and then click on the hyperlink in the Customer # column to open the customer record.

The Customer record will be displayed. Click on the RMR tab. A list of RMR's attached to the Customer will be listed in the grid area. Click on the hyperlink to the left of the RMR you want to cancel.

The RMR record will be displayed. Click on the Edit button located at the upper right of the page.
