

# Add System Parts

Last Modified on 03/05/2024 4:37 pm EST

Companies can enter a list of installed parts for a system. The data entry and maintenance allows users to enter the location, zone number (if a monitored device), serial number (if available), installation date, and if the part is removed, enter the removal date.

You also can enter a parts list at the site level if necessary. Typically, parts are attached to a System record.

To add a list of parts to an existing System, you must begin by accessing a Customer record.

From the main menu, arrive at the Customers list with this path: Accounts Receivable > Customers.

The Customers list is displayed. Locate the Customer, and then click on the hyperlink in the Customer # column to open the customer record.

**Customers**

Customers Sites Systems

Search Customers  + Add Customer Export to Excel

NO Master Customers  NO Terminated Customers Custom Grid Layout

Drag a column header and drop it here to group by that column

Customer #	Name	Address	City	State	Balance Due	Total RMR

**+ Add Parts** X Cancel

After the Parts fill into the grid, click the **Save** button at the upper right of the System Parts list.

To add details for the part, click on any column of a part row to edit.

The Edit Part form is displayed. Each data entry field is described below.

- **Zone:** If you have created a zone list for this system, and the part is monitored, click on the drop-down list to

select the zone.

- **Location:** Enter the physical location of where the part is installed.
- **Install Date:** Enter the date on which the part was installed.
- **Removal Date:** Unless you are entering historical information, skip this field.
- **Serial Number:** If there is an available serial number for the part, enter that value into this field.

When finished, click the **OK** button at the bottom of the form to save, and then click the **Save** button at the upper right of the System Parts list.

The image shows a software dialog box titled "Edit Part: 5800PIR - Wireless Motion Detector". The dialog has a blue header bar with a close button (X) on the right. Below the header, there are five input fields arranged vertically:

- Zone:** A dropdown menu with "Hallway" selected.
- Location:** A text input field containing "Hallway".
- Install Date:** A date picker field showing "3/7/2022".
- Removal Date:** An empty date picker field.
- Serial Number:** An empty text input field.

At the bottom of the dialog, there is a grey bar containing two buttons: a blue "OK" button with a white checkmark icon, and a white "Cancel" button with a grey X icon.
