

Edit a Part

Last Modified on 04/27/2022 10:43 am EDT

To edit a Part, from the main menu, arrive at the Parts setup with this path: Inventory > Parts.

The Parts list will be displayed. Locate the Part you want to edit, and then click on the Edit button (pencil icon).

The Parts form will be displayed. Make the necessary changes, and then click the Save button when finished.
