

Edit a Service Level

Last Modified on 11/07/2023 3:51 pm EST

To edit a Service Level, from the main menu, arrive at the Service Levels setup with this path: Setup > Operations > Service Levels.

The Service Levels list is displayed. Locate the Service Level you want to edit, and then click the **Edit** button.

The Service Level form is displayed. Make the necessary changes, and then click the **Save** button when finished.
