Add an RMR Group

Last Modified on 04/27/2022 9:36 pm EDT

To add a new RMR Group, from the main menu, arrive at the RMR Groups setup with this path: Setup > Other > RMR Groups.

The RMR Groups list will be displayed. Click on the Add RMR Group button at the upper left of the form.

RMR Groups	
+ Add RMR Group	NO Show inactive RMR Groups
Name	Default
Non-Arrears	S Edit 🛱 Delete
Invoice in Arrears	NO Selit Delete
-	data.
н к 1 м н	1-2 of 2 items

The Add RMR Group form will be displayed. Each data entry field will be described below.

- Name Enter a name for the RMR Group. Maximum of 50 characters allowed.
- **Default** If this RMR Group should be the default when creating a new RMR, set the toggle button to Yes. Only one RMR Group may be marked as the default.

When finished, click the Save button at the bottom of the form.
