

Edit a System Type

Last Modified on 04/27/2022 9:51 pm EDT

To edit a System Type, from the main menu, arrive at the System Types setup with this path: Setup > Other > System Types.

The System Types list will be displayed. Locate the System Type you want to edit, and then click on the Edit button (pencil icon).

The System Type form will be displayed. Make the necessary changes, and then click the Save button when finished.
