

# eCheck Tokens

Last Modified on 08/11/2022 10:12 am EDT

The eCheck Token section shows all eCheck tokens in use.

To export the list of tokens to Excel, click Export to Excel.

The exported worksheet shows this information:

- Customer Number
- Customer Status
- Account Name
- Token
- Billing First Name
- Billing Last Name
- Auto Recurring
- Auto Day
