

Late Fees

Last Modified on 08/28/2023 12:12 pm EDT

In Managely, late fees are designed to be a financial incentive to pay the invoice.

Once a customer pays their invoice, the late fee is removed from their invoice.

If the customer does not pay their invoice on time, the late fee will be charged.

To set up a late fee, follow the steps outlined in the [Statements Overview](#)
