

# Display Groups - Adding

Last Modified on 07/03/2023 11:35 am EDT

To add a Display Group, navigate to **Setup > Operations > Display Groups**.

1. Click 
2. Add a **Display Code** and **Display Name**
3. Click **Save**

The screenshot shows a modal dialog box titled "Add Display Group". It features two text input fields. The first field is labeled "Display Code" and contains the text "Test". The second field is labeled "Display Name" and also contains the text "Test". Below the input fields, there are two buttons: a green "Save" button with a white checkmark icon, and a white "Cancel" button with a black "X" icon. The dialog box is set against a light gray background.
