

Unable to Delete Invoice - Workaround

Last Modified on 07/01/2024 6:18 pm EDT

How to open a PDF of an invoice but still be able to delete it (Managely)

If you would like to preview a PDF of an invoice, go into the invoice in question, click on the More button and then click Print Preview

-
-

Since you elected to Print Preview you can still delete this invoice if desired.
