

How to Check Work Order History in Managely

Last Modified on 07/01/2024 6:37 pm EDT

In Managely, users can check the history of a work order with just a few clicks.

To check the history, follow the steps below:

1. Open the work order in question.
2. Click the History button in the top right corner:

□

3. Expand the information by clicking the plus icon on the left hand-side (once expanded it will become a minus icon):

□

The steps above will provide a full history of that work order.
