

Parts Detail Page

Last Modified on 01/22/2025 3:00 pm EST

On the part detail page, you can add a warehouse. When you open the page, click the **Add Warehouse** button:

The screenshot shows the 'Parts' detail page for part '04PART'. The top navigation bar includes 'Edit', 'History', and 'More...' buttons. The main content area is divided into several sections:

- Summary:** Default Rate: \$188.88, Cost Amount: \$19.99, Quantity: 145.
- Costing Method:** Standard, Description: Test Part Four, Panel: NO, Manufacturer: Silent Knight.
- Category:** General & Administrative, Type: Intrusion Devices, Subtype: -, GL Account: 41000-Item, Main Vendor: Acme Alarm Services.

Below the main content, there are tabs for 'Warehouses' (28), 'Documents' (0), 'Part Ledger' (95), and 'Vendor' (1). A toolbar contains a '+ Add Warehouse' button, 'Export to Excel', and 'Custom Grid Layout'. A table below the toolbar has columns for 'Warehouse Code', 'Part', 'Quantity', and 'Cost'. A 'Show Inactive Warehouses' toggle is also present.

This opens the Add Warehouse popup. Select an existing Warehouse. Enter a Quantity (the quantity can be zero). Click Save.

The 'Add Warehouse' popup is a small window with a blue header and a close button. It contains two input fields:

- Warehouse:** A dropdown menu.
- Quantity:** A numeric input field with a value of 0 and up/down arrow controls.

At the bottom of the popup, there are two buttons: a green 'Save' button and a white 'Cancel' button.
