

# Indicator Shows Additional Technicians on Appointments Grid

Last Modified on 02/04/2026 2:29 pm EST

On the work order detail Appointments tab (Accounts Receivable > Work Order > WO# hyperlink > Appointments tab), we added an indicator to show additional technicians on the appointment. You will see this indicator only when there are additional technicians on the appointment and will see the additional technicians when hovering over the indicator with the mouse pointer.

Appointments	Items 2	Parts 0	Part Kits 0	RMR 0	Billing	Notes 0	Site Notes 0	Documents 2
