Application Corrections

SedonaOffice/Sedona-X Mobile

Resolved Issues
Service Tickets Dispatched through Sedona-X Mobile Service Fee Flag Inactive Ensured that service tickets, where techs are dispatching through Sedona-X Mobile, have the 'Service Fee' flag available for selection.

Managely/Sedona-X Mobile

Resolved Issues
Address in App is incorrect - using wrong site address Resolved an issue showing the incorrect site when clicking on the site from the work order detail page.

Special Upgrade / Install Instructions

Operating System - iOS devices should be on iOS version 12 and Android devices should be utilizing Android 10 or newer for full compatibility, though earlier versions may be able to support the application. Please check the app store for any updates to your Sedona-X app.

Minimum System Requirements

- SedonaOffice Version 6.2.0.11
- SedonaCloud Version 1.43.1
- Server is on Microsoft .Net 4.6.1
